

Afternoon programs

At our school there are activities running during the afternoon hours, under the supervision of the Teachers' Council, with the participation of teachers of the school and other teachers that voluntarily contribute to our effort. For the school year 2017-2018 we have the following classes:

1. Greek language learning classes for adult migrants - refugees (beginners and advanced)
2. Tutoring classes for foreign students.
3. Turkish language class.
4. Creative past-time activities for the children of those attending the Greek language classes.
5. Library and playroom facilities.
6. Storytelling.

Also, the school is part of the Open School program of the Municipality of Athens through which additional activities are being developed.
